

Daycare Operations During Weather Warnings [Ver. 5]

For Nursery Schools, Certified Kodomo-en, and Regional Daycare Centers

(Effective May 29, 2026)

Evacuation Warning: Alert Level 3 or Higher

Before arriving at or while on the way to the daycare facility.	Please refrain from going to the daycare center and take shelter to ensure safety.
After arriving at the daycare center.	As a general rule, all daycare operations will be canceled. The daycare center will contact and ask you to pick up your child.
If a warning is lifted by 7:00 a.m.	The daycare center will open at 8:30 a.m. (Lunch will be provided as usual.)
If a warning is lifted between 7:00 a.m. and 11:00 a.m.	The daycare center will open at 1:00 p.m. (No lunch will be provided.)
If a warning is lifted after 11:00 a.m.	All daycare centers will remain closed for the day.

*Note: Depending on the extent of the damage, even after the level-3 alert or higher has been lifted, the daycare facilities may remain closed. In the event of an extended closure, you will be notified via email or other means of communication.

Weather Warnings (Storm Warning, Blizzard Warning, Heavy Rain Emergency Warning, Flood Warning, and Landslide Warning)

Before arriving at or while on the way to the daycare facility.	Please refrain from going to the daycare center and take shelter to ensure safety.
After arriving at the daycare center.	As a general rule, all daycare operations will be canceled. The daycare center will contact and ask you to pick up your child.
If a warning is lifted by 7:00 a.m.	The daycare center will open at 8:30 a.m. (Lunch will be provided as usual.)
If a warning is lifted between 7:00 a.m. and 11:00 a.m.	The daycare center will open at 1:00 p.m. (No lunch will be provided.)
If a warning is lifted after 11:00 a.m.	All daycare centers will remain closed for the day.

*When other types of warnings, such as heavy rain, flood, or blizzard warnings, are issued, childcare facilities will generally remain open as usual. However, depending on the extent of the damage or the anticipated risk of damage, your child's daycare facility may be temporarily closed. In such cases, you will be notified via email or other means of communication.

Earthquake Greater than the Seismic Intensity Level 5

*Whether the daycare facility your child attends will reopen the day following an earthquake will be determined after assessing the extent of the damage, the risk of further damage, and other relevant factors. If the facility remains closed or takes other measures, you will be notified via email or other means of communication.

Before arriving at or while on the way to the daycare facility.	Please refrain from going to the daycare center and take shelter to ensure safety.
After arriving at the daycare center.	As a general rule, all daycare operations will be canceled. The daycare center will contact and ask you to pick up your child.
